WEEKLY ACTIVITIES AT CASE

Every Monday

Seniors Computer Literacy classes

11AM to 1PM
1PM to 3PM

CASE teaches basic internet skills to empower Seniors to confidently navigate our technologically dominant world.

Join us in person!
60 Queen St. E
Suite 103 Brampton

Call to register

Every Wednesday

Seniors Recreational Arts & Crafts

11AM to 2PM

This form of COVID-relief effort gives seniors the opportunity to socialize with others on a regular basis, which helps to positively impact their mental health.

All programs at CASE are FREE with registration

Every Thursday

Seniors Morning Take a Walk

8:30AM to 10AM

Youth Minding Money

4:30PM to 6PM
Virtual, with registration*

Start your Thursday with a morning walk at CASE! Low impact exercises and a walk around Rosalea Park are led by our Youth. Coffee and refreshments follow at our Office.

OUR COMMUNITY IMPACT

- over 90** Seniors trained and empowered in our Computer Literacy Program
- 24,938 lbs** fresh groceries, fruits, vegetables, root crops, grains and cereals distributed to our Seniors
- over 1,300** marginalized and low-income Brampton Seniors served by our Healthy Mini Food Bank
- \$36,000** in Food Vouchers distributed to over 750 Brampton Seniors from April to June 2023
- over 3,030** meals (valued at \$9,527) received and distributed through the Second Harvest Food Rescue Program
- over 100** attendees at our First Annual Fundraising Gala: Reducing Poverty, Raising Hope
- over 35** Lenova tablets distributed to further digitally empower our Seniors and Youth in April 2023

GALA NIGHT IS COMING!

Early Bird tickets now on sale on our website

Scan to purchase your tickets now for the Early Bird Price \$70 each or \$140 for 2!

Save the Date! Join us for our Second Annual Gala Night 2023 "No One Left Behind: Supporting Seniors in Peel" to support our efforts in providing healthy, nourishing food for Senior citizens and Families right here in Peel Region.

All funds raised will go directly to supporting food security efforts. The evening will feature exciting performances, a delicious Holiday dinner, Silent Auction, and esteemed guests including MPs, MPPs, and key community speakers.

*We offer subsidized ticket pricing for Seniors (\$50) registered with CASE. Visit our website to learn more or call 905-216-2244

CSJ STUDENT STAFF AT CASE

CASE Community Services is joined this summer by students from all over Peel Region! This Work Experience is supported by the Canada Summer Jobs (CSJ) program. CSJ is part of the Youth Employment and Skills Strategy, a federal commitment to help young people gain employment information, skills and experience.

We are pleased to welcome Elvin, Zuhair, Suman, Hafsa, Jasreet and Ashtovia to our Office Team. These amazing Youth have taken on roles such as Computer Instructor, Recreational Leader, Fundraising Assistant and Administrative Assistant.

CASE Community Services is proud to support young people gain real-life experience as they transition to the labour market. Thank you for joining us and sharing your talents and expertise at CASE!

EVENTS & ACTIVITIES

Seniors Digital Literacy One-on-One

Supported and led by our Youth Computer Instructors, Seniors can now drop in at our office for one-on-one instruction on computer and digital literacy! Sessions are by appointment only

Minding Money in the Modern World

CASE is delighted to present virtual financial literacy workshops for youth aged 14 to 24 in the Peel Region with support from TD Ready Commitment. These weekly workshops feature expert speakers who share valuable resources and cover topics that are beneficial for financial management, such as investing, saving, and budgeting!

Scan and register for our Summer session!

Our FREE program runs from May 18th to August 13th

Job Skills Digital Literacy

The Digitally Conscious and Connected program provides free access to digital literacy classes at our office. This program is supported by Region of Peel and is available to low-income individuals, newcomers and youth in Brampton. Join us for free weekly classes and learn Advanced Computer basics, how to access online job resources, and so much more!
